RODEO ROYALTY COMPETES

Ready To Ride--But Which Ones?

Pictured above are the ten finalists for Catalina Rodeo Queen in the upcoming parade. Shown are (standing) Lynn Vanerka, Ellyn Knapp, Carol Prickett, Mary Lou Doolen, and Judy Hodge. Seated are

Judy Helm, Karen Mitton, Ruth Ann Lubbers, Betty Sharp, and Nancy Saip. Catalina students will pick the Queen and her four attendants from these ten tomorrow in homeroom. Photo by Dave Severson

Homerooms Pick Trojan Royalty

By Mari Helen Hopkins

Ten semi-finalists for Rodeo Queen were chosen in homerooms last Tuesday.

Sunshine model Mary Lou Doolen, who also can be seen as peppy head cheerleader, was among those chosen, as was her fellow cheerleader Judy Hodge. Blonde Judy is also busy discharging her duties as vice-president of the Student Federation.

Another blonde, Judy Helm, was also a finalist. Judy is one of Catalina's songleaders. Ellyn Knapp, Ruth Lubbers, and Karen Mitton, also songleaders, were nominated by the Student Federation. Ellyn adds the Sunshine Modeling Club and the Student Court to her busy schedule. Ruth is secretary of the Senior Class, and Karen is vice-president of the Senior Class and was one of the Senior Day Princesses.

Carol Prickett and Nancy Saip are two more cheerleader semi-finalists. Red-haired Nancy will be remembered as one of the soloists with the vocal ensemble in the Christmas program.

Catalina's Student Federation corresponding secretary, Betty Sharp, is also among the ten chosen. Betty is Honored Queen of Job's Daughters Bethel No. 2.

Lynne Vanerka, vivacious head songleader, has been nominated for Rodeo Queen and is among the ten semi-finalists. Brown-haired Lynne somehow finds time to be president of CY-Teens along with her many other activities.

Five finalists will be chosen from these ten tomorrow, with the most votes determining Catalina's Rodeo Queen.

Catalina's Rodeo Queen and attendants, along with the Trojan band, cheerleaders, and songleaders, will represent CHS in the parade February 20 which begins Tucson's annual Fiesta de los Vaqueros.

It has been a rule at Catalina that a girl who has been a queen previously may not be given the honor another time.

Comedy Staged By Drama Novices

The next play to be presented by the drama department will appear February 26 and 27. The name of the play is "The Curious Savage" written by John Patrick. This is a fast-moving comedy set in a home for the mentally incompetent.

Playing the title role will be Susanne Smith. Others in the cast include Anne Sowerby, Rachael Munson, Gerry La Belle, Ann Poutinen, Jim Whitaker, Carole Jansse, Anne Sims, John La Due, Brad Tracy, Vicki Douglas, Martha Risner, Mary Ann Checkon, Frances Archer, and Ron Heiss.

Lettermen Back Post-game Dance; Object? — Money!

The Lettermen's Club will sponsor a mixer following the Pueblo game tomorrow night. The proceeds will be used to finance Lettermen's Club initiations and other projects.

Floyd Watson is general chairman of the dance. Committee chairmen are Mike Nagle, entertainment; Fred Hutchison, publicity; Mike Glendening, clean-up; Huey Gilbert, check room; Sammy Lydic, refreshments; Quentin Bryson, chaperones; and Don Parsons, tickets.

The Lettermen's Club hopes to make this an annual affair.

4 Seniors Qualify; NROTC Test-Oral

Four CHS seniors passed the NROTC scholarship examination given December 14. They are Ted Bowen, Rod Caramella, Gary Harmon, and Roni Shattuck.

The finalists will be required to have a complete physical check-up by the Navy to determine their physical fitness. The final test will be a personal interview.

If all these steps are passed successfully, the student will receive a four-year scholarship to any college or university in the country where there is an NROTC station. The candidates will be notified on or around April 11.

CULTURE STILL NEEDED

"America's Schools — Are They Behind Russia's?", "New Science Scholarships Offered US Students" — such are examples of headlines appearing in newspapers across the country during the last few weeks.

What does this mean to us, the students, with whose future the government, editors, educators and general public are concerning themselves so intensely?

Certainly it means changes. It means that the student who excels in the fields of mathematics and science will receive more of his just recognition — both social and monetary.

This is good. No intelligent person could deny the fact. However, as in all good things, the good can exist only so long as the ambitions for mathematical and scientific superiority are based on the correct ideals.

American schools need to stress not only science, but more important — PHILOSOPHY. We refer to philosophy in the broad sense of its literal meaning — love and wisdom.

Knowledge can never attain peace without love. The question which faces the school systems of today, or should be facing them is "How can we reach a balance in the teaching of wisdom and 'love'?"

Love for our fellowman can be cultivated in the study of world literature and customs. It can be found in history and drama. It can be found anywhere students and teachers earnestly search for the truth.

Trends may change but the appreciation for excellence in all fields of study should not. The importance of one subject compared to another is difficult to determine. All kinds of people are needed to make a world. Outstanding abilities in **all** fields of learning should be encouraged and appreciated.

Changing Times, The Kiplinger Magazine: A rumor is about as hard to unspread as butter.

Catalina Congratulates Mrs. Kirmse

Catalina High should be proud of the election of Mrs. Evelyn Kirmse to the post of president of the Arizona Board of Regents. Mrs. Kirmse is a senior English teacher and counselor at Catalina.

She is one of few women appointed to the Board of Regents, and the first chosen for the presidential position.

Photo Chief Dave, GL Leader 'Pooh' Food Connoisseur Dislikes Squirrels Reads Philosophy Foreign Traveler

"I wish I could follow my own advice," says Dave Severson, Torch photographer and food connoisseur.

Besides being the Torch Photography Editor (a position which he held last year), Dave serves as vice-president of the CHS Photography Club, takes the TRUMPETEER's photos and is the Citizen School Page photographer.

Dave came to Tucson in 1952 from Chicago by way of Michigan.

Dave likes to be considered a connoisseur of fine(?) foods. He enjoys all kinds of food but likes to experiment in foreign dishes and is always trying something new. His favorite dish is a "meatless Belgian dinner."

Reading philosophy and religion takes up any spare time he doesn't spend on dates or photography. Dave favors modern or contemporary philosophy.

In answer to a question regarding unions for students at CHS Dave says, "We need collective bargaining to get shorter hours, better food and more modern classrooms."

Dave's pet peeves are "English teachers who don't let me get my pictures taken" and "people who are always trying to be the big shot in the picture."

After graduating from CHS, Dave plans to attend the U of A.

"In my spare time I do my homework," grins senior Sue Pooler. As president of Girls' League and member of Student Council, NHS, Junior Red Cross Council, and the editorial board of the TRUMPETEER, Sue hasn't much time for tiddly-winks.

She was voted outstanding citizen of her city at Girls' State, and was the Nationalist Party candidate for Governor. As an American Field Service representative, she spent three summer months in Heilbronn, Germany.

Born in Portland, Maine, on January 6, 1940, and a Tucsonian for six years, Sue describes her favorite edibles as being cream puffs, tacos, spinach, and weiner snitzel.

Sue blushinglly insists that her most embarrassing moment is too embarrassing to print, but adds, "You can ask Terry Hanson."

Shoes, squirrels, and obsequious people, skinny men who dress up like Santa Claus, and Pepto-Bismal "because it's pink and oozy," are a few of Sue's dislikes.

In the musical realm Sue prefers Frank Sinatra, June Christy, and Dave Brubeck's progressive jazz. Her favorite song is "Bewitched" by Frank Sinatra, "Because Karen Marie Mitton is going to give it to me for my birthday . . . I hope."

The future holds the promise of college life for Sue. She has applied for a scholarship at Pomona.

March of Time

By Bill Buck

Can America say in all certainty that in one hundred years this country will not be living, of its own will, under a socialistic-type government?

In America people have been led to believe that socialism is a terrible thing. The truth is that a certain amount of socialism exists today in America. What, if not socialism, are social security and the TVA?

It is true that when social security and TVA were passed there were many shouts of communism and socialism; but today these acts have been accepted by all.

Many people feel that a country living under a socialistic economy would have to be undemocratic. This is untrue. Britain and the Scandanavian countries are among

those having a socialistic government and are very democratic.

Socialism doesn't have to be fully implemented to work. There are certain fields in which the government can operate better and more economically than private industry can.

Personally, I believe that the government should control the rails and the coal and steel industries.

It is argued that socialism deadens all initiative. This would be true only if socialism controlled all fields of free enterprise. Besides, it is the people who have the initiative and if they have it, no change in the economic structure of the nation can take it away from them.

Communism, not socialism, is to be feared.

Evelyn Kirmse Elected President Board of Regents

Mrs. Evelyn Kirmse, Catalina English teacher, was elected president of the Arizona Board of Regents at its annual reorganizational meeting in Tempe last week.

Mrs. Kirmse moved up from the post of treasurer in the election in which three of four top offices were captured by Tucson members. Tucson regents also won the secretary and treasurer contests in the election.

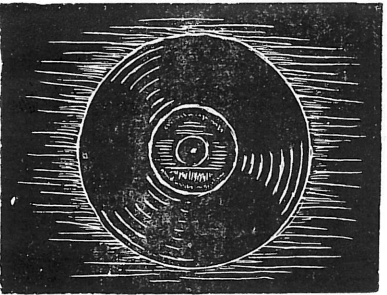

Mrs. Kirmse has been on the Board since 1950 when she was appointed for a full eight-year term by the then present Governor, Howard Pyle. As a result of a technicality, her term on the Board will run out about three weeks before her one-year period as president ends.

Her duties, other than those of all members of the Board, will be those of calling and arranging meetings, which are seven to ten times annually.

The Board's duty is to regulate, to some extent, the activities of Arizona State institutions of higher education.

Record Roundup

By Burt Schneider and Ray Lindstrom

We hope you enjoyed yourselves at the record hop after the Tucson High-Catalina basketball game.

A number of celebrities were guests of the student body. Two local disc jockeys, Harry Grant of KCNA and Buck Herring of KTKT were spinning records. Assisting them were Burt Schneider, Ray Lindstrom, and Gary Palant of CHS. **Maybe** by the Chantels was the song most requested at the dance. Another popular song was **This Is The Night** by the Valiants.

The Collins Kids were a special attraction. Everyone attending was happy they were able to stop in and say "Hi" to all their fans. Larry's and Lorrie's latest record destined to be a hit is **Hoy, Hoy**.

Elvis Presley, whose **Jailhouse Rock** just left the top tune charts, has another big seller in **Don't** and the flip side, **I Beg Of You**. It appears that Elvis is trying to make all the money he can before he

Faculty Says

By Ken Pearson
CHS Football Coach

Ask any college or university graduate for an evaluation of his school and he will probably let you know that it is the "only" school. Ask the same question of any of your friends who have recently graduated from various high schools and the answer will most likely be the same. And the greater sacrifice and effort extended by these individuals during their school days, the more vociferous will be their praise for the school. This is only natural and as it should be.

A person should have pride in the school from which he graduates. Those who have invested most during their school days will receive the greatest dividends—whether they be monetary, social, aesthetic, or a general feeling of self-satisfaction.

The higher the esteem extended the school, the better the record, morale, spirit, and general reputation of the school; and the more valuable it becomes as a background for its graduates.

There is not a great deal of difference in the mental and physical abilities of the student bodies of various schools. Then why do they differ so much in the reputation, the academic and athletic records, and the spirit of the alumni, faculty, and student body? It is because the graduates of those schools exercised a little more drive and desire to improve while they were in school. There are very few individuals who will ever be as good as they can be because they do not have the self-discipline to force themselves to be that good. A little self-discipline can compensate for the lack of some natural ability. But with natural ability and self-discipline, there is no limit.

'KICK-OFF' PARTY TO PREVIEW SPRING SENIOR SPECTACULAR

By Fran Bassist

The first annual "Senior Spectacular" will get under way next Thursday with a preliminary "Kick-Off" party. From 7:30 until 9:30 the cafeteria will be the scene of example acts such as vocal duets and group dances.

Mary Lou Doolen and Terry Hanson, co-chairmen of the "Kick-Off" party, hope to "create interest among the seniors."

Four example acts will be presented to give seniors an idea of how the "Spectacular" will be run. Yvonne Cottrell and Bob Lewellen will sing duets. Sally Anderson and Hal Ashton are organizing a large group dance production. An all girl can-can number will be under the direction of Chris White. George Campbell and his band will provide the music.

Auditions will be held tomorrow after school in the cafeteria.

Seniors will be able to sign up for acts at the party. Auditions for the "Spectacular" will be in the latter part of March or the first of April.

David Smith, senior advisor, and Petite Catlin, general chairman of the Spectacular, urge all seniors to attend the "Kick-Off" party.

Margie Wagner and Sandy Tanner, chairmen of the refreshment committee, are planning to serve cokes and cookies.

Foreign Students Hunt For Homes

HELP! HELP!

Would you like to live with a foreign student? The American Field Service is looking for you. Each year over one thousand foreign students are selected to come to America and attend American high schools. But they must have homes in which to live during the school year. This is where you come in.

This student would spend the school year as a member of your family. Accident and health insurance would be paid by the American Field Service. But other incidentals would be your responsibility.

You and your family would gain not only in pleasure and enjoyment but you would gain immeasurably in your understanding of foreign relations.

If you are interested, call Mrs. M. P. Vosskuhler, 1511 East Edison, EA 5-9479, for additional information.

Males' Course Invaded By Girls; Mechanical Drawing Well Liked

By Margie Wagner

The mechanical drawing classes at CHS have been given the feminine touch this year. This is because five girls are taking mechanical drawing, previously known as an all-boy course. The five girls are Judy Olsen, Ruth Shields, freshmen; Sandy Tanner, Margaret Teel, and Margie Wagner, seniors.

These girls were asked why they wanted to take mechanical drawing. All agreed that it would be interesting; and they planned for a career possibly in engineering.

Chester Parks and David Fithian, mechanical drawing teachers, were asked how they liked having girls in their classes. Parks said, "Girls

set a standard or pace for the boys." Fithian exclaimed, "Oh, I love it!"

This course was originally designed for boys as a starting point in reading and drawing blueprints. It's now also helpful for girls, so they can understand and appreciate architecture, interior decorating, and art. It is also helpful for the girls who are planning a career in engineering.

In May, the Tucson Public School System is planning its annual Industrial Arts Spring Display to be held in the THS cafeteria. Several drawings by some of the mechanical drawing girls will be included in the exhibit.

WE DELIVER

'SWEETHEART' BALL PLANNED

By Delores Strassburger

The swing designed for sweethearts will be the core of the decoration scheme for the February 14 "Sweetheart Swing" dance sponsored by the Junior Class. The dance will begin in the CHS cafeteria immediately following the Catalina-Salpointe game.

In keeping with Valentine's Day, a huge swing will be adorned with red, white, and pink crepe paper flowers.

Admission to the dance will be the same as for a regular social hour: an activity ticket plus 25 cents or 50 cents without an activity ticket.

Gaila Crotts and Quentin Bryson head the decoration committee. Other committee chairmen are Mary Helen Richardson and Jo Ann Branham, publicity; Floyd Watson and Jim Sakrison, clean-up; Dave Giles, music; Jeanne Webb, chaperones.

Huey Gilbert, as Junior Class president, directs the activities of the class. He is assisted by Vice-President Barbara Voss and Secretary Judy Maynard.

Junior councilmen are Ford Burkhart, Dave Giles, Pam Morris, and Thelma Taylor. Gaila Crotts and Jim Sakrison represent the class in the Student Court.

The advisory board is composed of the Junior Class officers, councilmen, justices, and Jo Ann Branham, Quentin Bryson, Mary Helen Richardson, Floyd Watson, Jeanne Webb, and Lanny Webb.

Collins Kids Interviewed; Kids Seen On Allen Show

By Ray Lindstrom

"Some people like to rock, some people like to roll," are the words of a record by the Collins Kids, and it sure describes them perfectly. While they were in Tucson recently this reporter interviewed them and found only one word to describe them — terrific.

The Collins Kids, Lorrie and Larry, who are 15 and 13 respectively, began their singing career in Oklahoma, appearing in various town and country programs around the state. A couple of years ago an agent for Columbia Records saw them do a routine and immediately signed them to make some recordings. Since this big break, they have made quite a few records in the country and western field. The Steve Allen Show is one of the many television programs on which they have appeared.

Lorrie was on the Ozzie and Harriet Show singing a duet with Ricky Nelson recently. When asked what she thought of Ricky, Lorrie said, "It was a terrific experience working with him," and added proudly, "we're going steady now." Larry remarked, "It's just a lot of mush." She plans to continue in show business doubling as both actress and singer.

Thirteen-year-old Larry kept the audience in stitches with his wisecracks and antics during their recent appearance in town. He accompanies his sister and does solos on the electric guitar. Larry is considered one of the best in his field despite his age. Traveling around the country so much, he goes to a private school near their

AFL-CIO Exams Resolve Scholarships

On March 6, 1958, the AFL-CIO Scholarship Examination will be held. The test will be given to seniors in high schools throughout the state. From these candidates six semi-finalists will be chosen. They will then take an oral examination to determine the winners. Based on the score of the oral examination, three people will win \$500 scholarships and three will win \$100 scholarships.

The scholarships will be good for any four-year college or university. Expenses will be paid to and from the oral examination.

Last year Catalina was fortunate in having two winners. Ann Buckwalter won a \$500 scholarship and Stephenie Stigers won a \$100 scholarship.

home in Van Nuys, Calif.

TROJAN FIVE MAKES TOURNEY

The Sideline

By Kirby Smithe

CONGRATULATIONS!

The support given athletics at Catalina has been more than repaid during the past few months by the brilliant performances of the entire Trojan basketball squad and their coach.

Catalina is going to the tournament at the University of Arizona come hail or high water. When they get there they will meet, almost for sure, Phoenix Union to whom they lost by only one point in season play.

Let's go into the picture a little deeper.

WEST PHOENIX is still the number two Valley team (in a three-way tie) and they were just knocked soundly by the Trojan quint. Hope they get to the tourney.

The league team that gave the Trojans the worst time this season is the Badgers of Tucson and it appears that they may not make the tournament.

Pueblo will probably make the grade but there is a possibility of Tucson rating a tie with the Warriors or even beating them. Pueblo's next tilt is with the Trojans this weekend in the CHS gym.

AS IT LOOKS from here, this is the way the pairing for the tourney will be set up: comprising the first bracket are the top AA teams, second AA teams, top A teams, and the second A teams. Playing in the same order, the B and C teams will be the second bracket. After four playoff games (one in each class) the semi-finals will have the AA winner versus the A winner and the B and C winners. The last game will be between the winners of these games, supposedly the remaining AA team against the remaining class B team. A consolation bracket will be played.

* * *

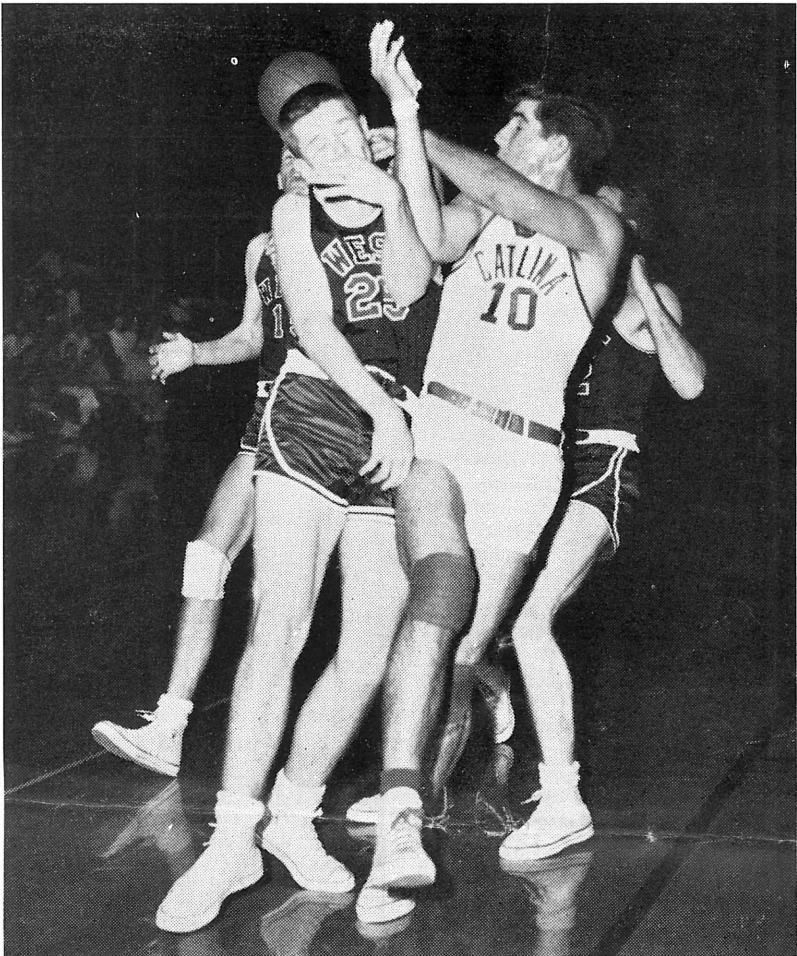

Still speaking of tournaments, we're all proud of the wrestling team under Jack Segurson. They captured the City Championship last week.

SPECIAL congratulations to Mike Mayor for a job well done.

* * *

We hope you all read Bill Wer-shing's column last issue. He said some things that were too true and from what I've heard, too close to home for some of you.

MORE BALLET?

Alan Curiel attempts to outdo Bill Mower's "Swan Lake." He is being helped by a Thunderbird who had his wings clipped 72-59 by CHS. Photo by Graphic Arts

Gymnasts To Bounce WHS

Teachers Host Clowns Feb. 11

THE HARLEM CLOWNS flashy, tricky, sharp-shooting, grandstanding basketball team has accepted a challenge from the Catalina High School faculty for the night of February 11 at 8:00 in the Trojan gym.

The teachers will be led by Church League scoring leader Bill Kemmeries backed up by such name stars as Cliff Myrick, Dick Barnes, Keith Meenan, John Williams, and Les Woods. Several other top CHS school-book stars are expected to appear.

Leading the Clowns famous brand of hilarious basketball is 6-3 Bob Woods and 6-6 John Barber. When these two take the court it's hard to tell what kind of antics will be seen.

The Catalina gymnastic team will open their season against Washington High School of Glendale February 14. The team has been working hard for several months in preparation for the coming season. Besides Washington High the Trojan team will engage in meets against the state champion Tucson High and the runner-up Phoenix Union, among others.

The team is coached by "Ritt" Rittenhouse, the former Border Conference and State AAU trampolene champion. A University of Arizona graduate, "Ritt" was also Border Conference diving champion.

A dark spot on the gymnastic (Continued on Page 7)

Catalina's Letterman's Club is sponsoring the contest and will give all of the proceeds to help buy school supplies for those students who cannot afford them.

Warriors Battle For Second Place

By Kirby Smithe

PUEBLO HIGH, the last conference team to be played by the Trojans in regular season play this year, is the guest of the Trojans tomorrow night in the Trojan gym at 8:00.

The "now up and then down" Warriors know that anything is possible remembering their wins over Tucson and Phoenix Union and will be trying to prove it once more by taking CHS to wrap up the second spot in the tournament. But remembering also their losses to Ajo and Nogales and a close one with Amphi, it could be a rough row to hoe.

THE CHS record now stands at 11-3 and 6-1 in the AA South Conference, leading the league. With three games to go, Pueblo holds on to a 4-1 record. After Catalina, they face Tucson and Amphi.

Last Friday night the Catalinans cinched a spot in the state tournament by breezing by Amphitheater 85-65. The following night West Phoenix fell 72-59.

The Trojans sped to a quick 24-11 lead at the end of the first quarter with Kirk Young pouring in five goals from the field. Young led the evening's scoring with 25 on 12 field goals.

SEVENTY-TWO points set a new record for points scored in the Trojan gym. Last year West set the same record for their gym when they played Catalina.

Also hitting in two columns were Bill Mower and Alan Curiel with 12 and Glenn Perrin with 11.

IN FRIDAY night's walk-away, the visiting Trojans scored 27-22-25-11 during the four quarters. Bill Mower led the individuals with a grand total of 24.

Perrin, Young, and Curiel also hit in double figures.

TURNING IN the top individual performance for the week end was guard Alan Curiel. Bill Kemmeries, Trojan coach, felt that Curiel was the big factor in both games providing clutch points and excellent defense as well as taking more than his share of rebounds.

SPORTS FACE

"WHEN WE win the State basketball championship this year in Bear Down Gym," is what Neal Genda chose to be his biggest sports' thrill. While Neal is only a

sophomore, he is currently one of Coach Bill Kemmeries' starting guards on the Trojan basketball team.

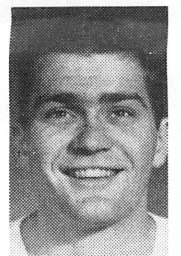

Besides being on the starting basketball five, Neal is one of the top quarterbacks on the football team. When track season starts, Neal stated that he hopes to do well in the pole vaulting event.

As Neal lettered in football this year, he is affiliated with the Letterman's and Hi-Y clubs.

When asked of his plans for the future, Neal said that he hopes to further his education at the University of Michigan.

Last year he was president of the Freshman Class and this year is an active member of Lettermen's Club and Hi-Y.

Another Sports Face is written about one of the best-liked of the Catalina athletes, Brian Jacobson. Brian claims Brooklyn, N. Y., as his place of birth and

sets the date at November 12, 1939. He stands 6 feet tall and weighs in at 185 pounds.

Brian is very active in sports and lists a number of teams on which he is a varsity member. Last fall he was one of the stalwarts on Ken Pearson's football team and is now

JV's, Frosh Clash With PHS Tomorrow

TOMORROW night in the Trojan gym the Catalina JV's take on the Warriors of Pueblo. The Junior Trojans now stand with a 6-6 record.

Their latest victory was over West Phoenix February 1, in which they edged the Thunderbirds 45-34. The junior varsity also swept Amphi 67-30 in one of the best-played games of the season. High scorer for the two games was Steve Miles who tallied 20 markers in the AHS tilt and 16 against West Phoenix.

Coach Dick Barnes' freshman squad is hoping for the best when they encounter Pueblo tomorrow night. The frosh have, so far, compiled a 4-6 record.

The most recent win was a 23-15 victory over Tucson. Bud Doolen and John Moffat vied for CHS high scorer in this match as both chalked up 6 markers. The Colts were downed by Sunnyside 33-23 and Amphi 44-29 last week-end. In the SIIS game, Bud Doolen again led the Trojan cause, scoring 8 points. Bob Svob racked up 9 points against Amphi.

number one in the 191-pound class for Jack Segurson's grunt and groan men. After the wrestling season has drawn to a close, Brian, again, plans to return to the weight lifting team.

When asked his favorite food he thought for a while and finally answered that steak rated number one. He said that his favorite form of music was jazz, but he was quick to reply that any type of fast music is very much enjoyed.

Bryan says he plans to attend ASC at Flagstaff where he will major in physical education. After graduation, he wants to play football for the Marines and then he hopes to play pro football.

Wrestlers Take City Trophy

By Jon Alquist

AVENGING an earlier loss to Tucson High, the Catalina wrestling team upset the Badgers to walk off with the first annual City Championship held in Tucson's gym last week.

The Trojans outscored Tucson 186-164. In the consolation matches

they showed surprising strength, outpointing the Badgers 96-73 on Friday and went on to edge the THS team 92-91 in the finals to win.

Far off the pace set by the Trojans and Tucson were Pueblo with 47, Arizona School for the Deaf and Sunnyside with 10, and Flowing Wells with 8 points.

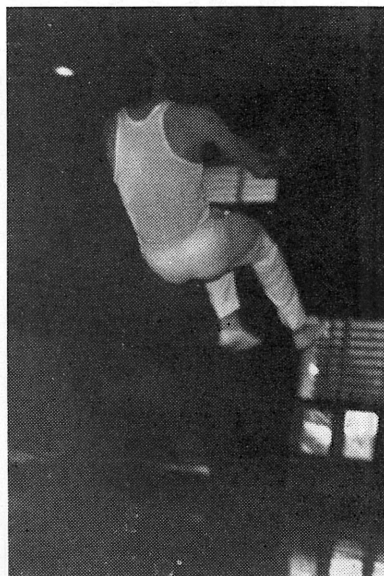

THE BIGGEST surprise of the afternoon was Catalina's Mike Mayor's upset over THS' Vince Reis in the heavyweight division. Mayor, wrestling for the first time this season, overcame a 5 point deficit to pin Reis in the final period.

It was Catalina's depth, rather than individual stars, that assured the victory as they were outscored 8-5 by the Badgers in first places but placed 23 men in the top four finishers as compared to Tucson's 16.

Also taking victories in the finals for the Trojans were Willie Campos (95), Bill Stole (103), Bob Wallace (120), and Bill Tucker (138).

Catalina will retain possession of the championship trophy until next year's meet which will be held here at CHS.

team is the fact that several key men are suffering from injuries. Top man on the parallel bars, Don Leach, has a dislocated wrist; Ike Rhodes, second man on the high bar, received a broken arm; and Bobby Hickman, a fine tumbler, has a dislocated finger.

As far as picking up points for Catalina, Coach Rittenhouse will probably count heavily on Rex Wheeler who competes in nearly all of the events. Barry Spicer can also be expected to do well in the all-around division.

In the individual events Ray Arnold and Dick Officer are currently tops on the trampoline. Jim Reddish leads the Trojans on the long horse, and Jack Wojonowski, state champion on the side horse, dominates that event.

Myrick Calls For Pitchers

By Hal Landon

THE CATALINA baseball team, under Coach Cliff Myrick, is now working hard in preparation for the season's opener against South Mountain on March 3. They will be trying to improve last year's 14-9 won and lost record.

The Trojan squad's biggest weakness is pitching. Myrick, who begins his third year as head coach, will be missing three big starters from last year—Ray Gazik, Chuck Giles, and Jim Newlin.

So far no definite starter has been picked for the game against South. Promising possibilities include Gene Stone, Bob Alcumbrac, Dennis Jackson, and Bob Jacobs.

"THE TEAM has no outstanding strong points but is a well balanced squad," said Myrick thinking of last year's close scores.

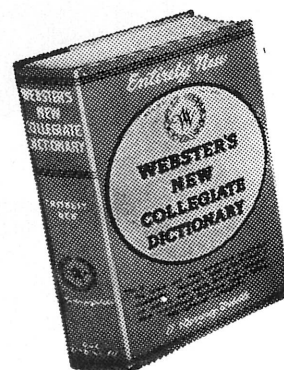

Returning lettermen who will probably start against the Rebels are outfielders Gary Anthis and Belar Watts; infielders Jack Allen, Willy Clay, John Thomas, and Kirk Young; and catcher Floyd Watson.
